

We can first practice, by choosing a key, taking a set of numbers such as 1, 4, 5, 1, assigning each note the duration of a whole note (4 beats per note) and the ensemble would play, (in the key of Bb) Bb, Eb, F, Bb

After practicing unison lines, we can break it into 2 part harmony

Part 1	1	4	5	6
Part 2	5	6	7	1
